

SHB 1290 - H AMD 162

By Representative Zeiger

WITHDRAWN 03/08/2013

1 On page 1, beginning on line 6, after "must" strike "place at
2 least one ballot drop box at each public institution of higher
3 education, including one at each branch campus" and insert "contact
4 the administration of each public institution of higher education with
5 a branch campus located in the county to determine whether the
6 institution agrees to install and jointly fund the placement of a
7 ballot drop box at the branch campus. The county auditor or election
8 official may place a ballot drop box at each branch campus that the
9 administration has agreed to install and jointly fund"

10

11

EFFECT: Requires the local election official to contact the administration of each public institution of higher education to determine whether the institution will jointly fund placement of a ballot drop box. Authorizes auditors to install a ballot drop box at the branch campus of any institution where the administration has agreed to jointly fund its placement.
